

Job Title: Driller's Assistant**Position Overview:**

We are looking for a motivated and reliable **Driller's Assistant** to support our drilling crews in the field. The Driller's Assistant works directly under the direction of the Driller, helping with rig setup, site preparation, equipment handling, and daily operations. This is a hands-on position that requires physical strength, mechanical aptitude, and the ability to work outdoors in all conditions. It's also an excellent opportunity to gain industry experience and advance toward a driller role.

Key Responsibilities:

- Assist the Driller in operating and maintaining drilling rigs and related equipment.
- Prepare and maintain drilling sites, including moving materials, setting up, and cleaning work areas.
- Handle drill pipe, casing, tools, and other materials as directed.
- Mix, monitor, and manage drilling fluids (air, mud, or water-based systems).
- Operate support equipment such as forklifts, pumps, and compressors when required.
- Perform routine maintenance tasks such as greasing, cleaning, and minor equipment checks.
- Record and report drilling data and observations to the driller or supervisor.
- Follow all safety protocols and assist in keeping a safe, compliant worksite.
- Work as part of a team, taking direction and supporting the driller and crew.

Qualifications:

- Previous drilling or construction experience preferred but not required (training provided).
- Strong mechanical aptitude and willingness to learn.
- Physically capable of lifting heavy tools, handling pipe, and working long shifts outdoors.
- Safety-conscious mindset with ability to follow directions.

- Valid driver's license with clean driving record (CDL preferred or willingness to obtain).
- Ability to travel and stay on remote job sites when required.

Working Conditions:

- Field-based position with long shifts and potential overnight stays.
- Outdoor work in varying weather and rugged site conditions.
- Physically demanding tasks including lifting, climbing, and repetitive movement.

Compensation & Benefits:

- Competitive hourly pay with overtime opportunities.
- On-the-job training and potential career advancement to Driller.
- Health, dental, and vision benefits.
- Travel per diem when working away from home.
